Memorandum #09/2024 Call for urgent Action

Dear beloved of the most blessed Lord and Savior Jesus Christ,

Through the clear Vision of the night the following message is not only persuasive but instructive for compliance.

- ❖ A cloud of monstrous Storm that will engineer a state of violent consternation is hanging overhead.
- ❖ Let there be congregational prayer after every Worship Service for the peace of this Country and blood-free election.
- ❖ Possibly now but before the middle of the month provide your family with a stock of water and foodstuff that can last 1 – 2 weeks. Thereafter, the shelves may be empty.
- ❖ After the election, let your home remain a refuge of protection and you should go out **only if you must and if the prevalent situation is conducive and safe.**
- ❖ Discourage your children and the youth of the church from clubbing and night movements from the end of October into the second week of November.
- ❖ Let every harvest Convocation in November be concluded in good time to allow members return home before dark.
- ❖ Perhaps I should add **on personal note** that you should make every effort to cast your vote for your freedom and the future of your children. Your vote may make the whole difference. May the good Lord and Chief Shepherd Himself remain our Rock of defense. Amen.
