

## **USA DIOCESE COUNCIL OF REGIONAL EVANGELISTS AND SUPERVISORS**

### **COMMUNIQUE**

**January 5, 2022**

Following the Diocesan Executive Council meeting held on January 2, 2022, and as part of the resolutions of the said meeting, the Regional Supervisors were mandated to have a meeting with their States Evangelists and Shepherds to re-evaluate the continue relativity of the seven points raised in the USA Diocese March 4, 2021, letter. These seven points were considered as axiom of good administration and sound corporate governance. The Council of Regional and States Supervisors, therefore, met and deliberated over the matter exhaustively on January 4, 2022.

It was evidently conclusive from the prevalent situation in the Church that these seven points, without any variation, will usher in an era of sound corporate governance, peace, discipline, stability and sustainable growth and developments in the church.

It was, consequently resolved, that the seven points as reiterated below, once again, will be pursued with his Eminence, the Pastor, and the Board of Trustees through the USA Head of Diocese - VSE Joseph Olorunnisola, for a better Celestial Church of Christ that is upward bound in spiritual growth and grounded in corporate governance administratively.

#### **The 7-POINTS**

1. An effective/appropriate Structure with sound hierarchical set-up, effective span of control, clear definition of roles, clear communication lines and dynamic information system designed by professional minds. It is time for this church to move forward.
2. Resourceful and responsive Central Administration managed by experienced and professional personnel – completely depersonalized.
3. Review of the Church Constitution of March 28, 1980, to reflect today's reality of the Church's worldwide spread and multi-national and

different legal systems.

4. Well Structured Emolument, Compensation, promotion, and Shepherds transfer's Mechanism that is based on equity, fairness, and motivation. Stimulating Welfare Plan for long Serving Clergies.
5. Resolution of the current internal crisis and dichotomy within the Board of Trustees.
6. A Pastor-in-Council that is anchored on well spelt out individual functions, responsibilities, and authorities.
7. An articulate and Standard Manual of Instructions to guide all Ministries, Departments and Operations of the Church.
