

## **EXECUTIVE COUNCIL OF USA DIOCESE**

### **SPECIAL COMMUNIQUE**

**SEPTEMBER 06, 2022**

The Executive Council of USA Diocese and members have watched quietly and in patience the reception and press release of the Pastor on his arrival in USA. Members were expecting fatherly intervention to bring peace and restore love, harmony and spirit of oneness. Regrettably, however, we have watched with painful concern the release of a well prepared and determined agenda of partisan hatred, bias, humiliation and brutal dis-configuration of the entire Celestial Church members in the Country. Seeds of disaffection, hatred, malice and hostility have been successfully sown among brethren within 12 hours of arrival into the country. It is very unfortunate.

Following this painful development, all the regions held their regional executive council meetings, followed by the meeting of the Council of regional and State Supervisors.

An emergency meeting of the Diocesan Executive Council was consequently summoned for September 5, 2022 to examine this unresolved 18 months of anxiety, stagnation, politics, hypocrisy and total chaos plaguing this body of Christ within this Country. Thirty three members were present out of the 35 members Council – two were unavoidably absent.

The following were the unanimous observations and resolutions of Council:

#### **Observations:**

- USA is a Country of Law and Juror System.
- USA Diocese was duly registered in accordance with the law of USA.
- USA Diocese is under the administration of the Executive Council of the diocese.
- There are fifteen independent, non-aligned parishes within USA operating progressively in peace, harmony and love without disturbance from anywhere and free to obtain anointment from any Pastor.

- USA Diocese shall continue to remain strong, determined and committed strongly to leading people to the Salvation of God that is in Christ Jesus.
- It will continue to promote love, harmony, spirit of oneness and the culture of discipline and decency within the diocese.

**Resolutions taken unanimously by Council:**

- ❖ **Total and uncompromising commitment to Worship and Service to God Almighty Jehovah, our Lord and Savior Jesus Christ and the Holy Spirit of the Living God.**
- ❖ **Irrevocable allegiance to the living Spirit of the blessed Pastor, Prophet and founder Saint (Papa) SBJ Oshoffa.**
- ❖ **Allegiance to the only Registered Board of Trustees.**
- ❖ **Review and resume vigorously the execution of the short and medium term development programs of the diocese.**
- ❖ **Resume the Training Retreats and Evangelical/Revival Crusades programs.**
- ❖ **Standing for what is right, righteous and true even if it means standing alone. There is never a successful war against the Truth. 2 Cor. 13:8.**
- ❖ **Through sound and undiluted gospel of Salvation and strong leadership character remove politics and hypocrisy from the 40 parishes under the diocese. And unto Timothy Paul said “If I am delayed you should let people know how they ought to behave in God’s household which is the Church of the Living God, the pillar and foundation of the truth”. 1 Tim. 3:15.**
- ❖ **Avoid getting involved in the on-going Social Media drama and propaganda which have continued to impair the corporate image of the Church and debase the reputation of Ministers of God. The Diocese will pursue vigorously the spirit of divine love, forgiveness and spirit of oneness while engineering the culture of discipline and decency.**

The Diocesan Directorate of Administration, Ethics and Codes also re-evaluated the continued relativity of the seven points raised in the USA Diocese March 4, 2021, letter. It is evidently conclusive from the prevalent situation in the Church that these seven points, without any variation, will usher in an era of sound corporate governance, peace, discipline, stability and sustainable growth and developments in the church. It is necessary for the emancipation of the Church.

It was, consequently resolved, that the seven points as reiterated below, once again, will be pursued for a better Celestial Church of Christ that is upward bound in spiritual growth and grounded in corporate governance administratively.

**The 7-POINTS**

1. An effective/appropriate Structure with sound hierarchical set-up, effective span of control, clear definition of roles, clear communication lines and dynamic information system designed by professional minds.

It is time for this church to move forward.

2. Resourceful and responsive Central Administration managed by experienced and professional personnel – completely depersonalized and embracing the principles of Accountability.
3. Review of the Church Constitution of March 28, 1980, to reflect today's reality of the Church's worldwide spread and multi-national and different legal systems.
4. Well Structured Emolument, Compensation, promotion, and Shepherds transfer's Mechanism that is based on equity, fairness, and motivation. Stimulating Welfare Plan for long Serving Clergies.
5. Resolution of the current internal crisis and dichotomy within the Board of Trustees.
6. A Pastor-in-Council that is anchored on well spelt out individual functions, responsibilities, and authorities.
7. An articulate and Standard Manual of Instructions to guide all Ministries, Departments and Operations of the Church.

It was further resolved by the Council of Regional and States supervisors that the following 40 parishes and others not mentioned under the Diocese shall be scheduled for bi-monthly workshop on administration and evangelism in the undiluted sound gospel of salvation.
