This is an invitation to join this great virtual evangelical event, as this highly charged chapter of the gospel will be examined in four sections, each a fifteen-minute section, by four of our anointed speakers in the church, while the final ten minutes of the program will be devoted to fire-seasoned prayer. You don't want to miss this convocation devoted exclusively to gorging ourselves on the meat and blood in the gospel of Christ. Let us come together for just one (1) hour, fifteen (15) minutes, to eat, drink, and fatten our souls on our LORD and Savior, Jesus Christ.

May the Good Shepherd Himself visit this occasion and tune our hearts according to the tenor of His Word. Amen
