Dear Sir:

RE: COMMUNIQUES / MEMOS FROM CARETAKER COMMITTEE

This is in reference to recent communiques / memos in circulation in USA Diocese Washington Region E and other Social Media outlets regarding the activities of Caretaker Committee.

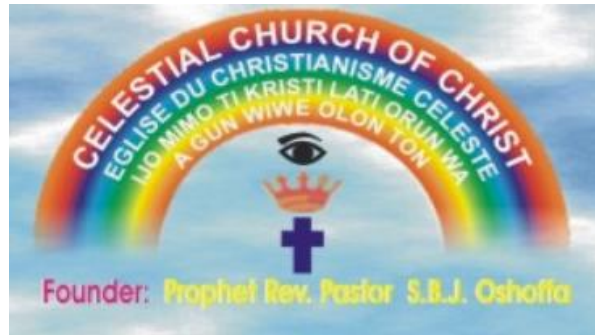

Please be informed that Shepherds and Elders in Region E have met on Saturday April 3, 2021 to deliberate on these communiques and memos and have resolved as follows:

- That Shepherds and Parishes in Region E recognize and are under the reporting structure set up by the Pastor and Spiritual Head of Celestial Church of Church of Christ Worldwide, Rev. Emmanuel Mobiyina Oshoffa.
- We are committed and in support of USA Diocese under the leadership of VSE Joseph Olorunnisola, appointed by the Pastor, Rev EMF Oshoffa.
- We DO NOT recognize the Caretaker Committee, hence we are not subject to its activities. Please DO NOT come to ANY REGION E Parish with such activities.

We believe Jehovah will unite HIS Church as promised and we will be working towards achieving this goal.

Signed:

- 1) AVSE Adeyefa Olasupo, Regional Supervisor
