Dear Sir,

### **REF: VARIOUS COMMUNIQUE FROM CARETAKER COMMITTEE**

Our attention has been drawn to various letters emanating from the caretaker committee under the leadership of VSE Anthony Iremiren, the Executive Council of Region C. met yesterday March 27<sup>th</sup>, 2021 and the following resolutions were approved.

All the shepherds in Region C. which comprises of 10 States in the USA under the leadership of the Regional Supervisor AVSE Joseph Awosika and the California State Evangelist AVSE Yomi Dodo-Williams stand firm with the USA Diocese under the able leadership of the HOD. VSE Joseph Olorunnisola, for his SELFLESS SERVICE, INTERGRITY and PROGRESS in the USA Diocese. Under his watch the USA Diocese has been enjoying PEACE, TRANQUILITY and STABILITY for many years now.

We do not recognize the caretaker committee/acting HOD that wants to destabilize the USA Diocese instead of resolving the misunderstanding/miscommunication between the USA Diocese and KETU. We in Region C hereby declare the caretaker committee/acting HOD as NULL and VOID.

We stand firmly on the 7 points agenda listed in the USA Diocese Executives Council Resolution letter dated March 5<sup>th</sup>, 2021. Celestial Church of Christ must be structured properly to reflect today's worldwide reality of multinational standard and compliance.
